We own 88 Acres, (Lot 14 La Veta Acres), and vehemently oppose any transmission line that would come anywhere close to Middle Creek, and/or County Rd 442. This would be a negative impact on our quality of life, damage to the land and would greatly decrease the value of our land and would also be a health and wildlife issue.

With great concern,

James R and Sue C. Kimbrough

La Veta, CO 81055

I-250-001: Environmental Consequences (In Review)

Your email/letter/comment form has been received and your comment noted. Potential environmental consequences and mitigation measures from the proposed project will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at
